

# WebAssign for Maximo®

- Web based work order assignment tool
- Easily assign/re-assign work orders
- Ability to pre-assign PM records
- Schedule work using drag/drop calendar
- Excellent audit trail
- Maximo 4x, 5x, 6x and 7x compatible

Maximo add-on that provides supervisors and managers with the ability to assign CM/PM work orders to specific staff as well as track the status of those work orders. Work orders can be assigned on an individual basis or by groups – it's as easy as "point and click".
